

## FREE SOCCER CLINIC FOR WASA PLAYERS/COACHES/PARENTS

Classics Eagles invites WASA players to a free soccer clinic. Players will learn various soccer skills in a fun environment. WASA coaches and parents are invited to observe the coaching techniques of the professional coaches, including the focus, plan, and progression of the session. The clinic is open to players in the U7 and U8 age groups.

The clinic is free and will be led by professional coaches including Tony Earp, the Classics Eagles Director. Register via Signup Genius at [this link](#).

Numbers per session are limited. We ask that each player limit registration to 1 session per player in order to allow all U7 and U8 players an opportunity to attend a session.
